

# Dr. Muhammad Mashuri

## Associate Professor

Drs. (Statistics-ITS, 1986); MT. (Industrial Management-ITB, 1994); Dr. (Mathematics-ITB, 2005)

### CURRENT POSITION

Head of BPS ITS

### RESEARCH INTEREST

Statistical Process Control,  
Multivariate Analysis,  
Industrial Statistics.

### PUBLICATION

- Multivariate process variability monitoring. (2008). *Communications in Statistics-Theory and Methods*. Vol. 37 (11), 1742-1754.
- Robust multivariate outlier labeling. (2007). *Communications in Statistics - Simulation and Computation* 36 (6), 1287-1294.
- Fuzzy multinomial control chart and its application. (2015). *The 5<sup>th</sup> International Conference and Workshop on Basic & Applied Sciences (ICOWOBAS 2015)*.

Dr. M. Mashuri obtained his doctoral degree in Statistics from Department of Mathematics, Bandung Institute of Technology, Indonesia, in October 2006 under supervision of Prof. Maman A. Djauhari.

Dr. M. Mashuri is a qualified lecturer and a promoter of PMDSU doctorate study program. One graduated doctorate student was under his supervision. Three doctorate students are now under his supervision by the topic of Statistical Process control. Dr. M. Mashuri was a department secretary in the period of 1996-1999, vice dean II in the period of 2007-2011 and head of department in the period of 2011-2015.
