

# Ni Luh Putu Satyaning P. Paramita, M.Si, M.Sc

Lecturer

S.Stat (Statistics – ITS), M.Si (Statistics – ITS), M.Sc (Applied Math & Social Science - Université d'Aix-Marseille)

## RESEARCH INTEREST

Metaheuristic, machine learning, experimental research, operation research

## PUBLICATION

- Inferring Commuting Statistics in Greater Jakarta from Social Media Locational Information from Mobile Devices
- Estimating the Indicators on Education and Household Characteristics and Expenditure from Mobile Phone Data in Vanuatu
- Validation du profil nutritionnel des aliments SAIN, LIM: une analyse de l'étude ENNS
- Electricity Load Forecasting with Genetic Algorithm - Support Vector Machine

Ni Luh Putu Satyaning Pradnya Paramita has a dual master's degree in Applied Mathematics and Social Science from Université d'Aix-Marseille and in Statistics from Institut Teknologi Sepuluh Nopember.

Her teaching responsibilities, among others, include Data Mining, Operation Research, Simulation Technique, Computational Statistics, and Experimental Design.
